

This programme is available through institutional collaborations, and not applicable for direct applications by prospective students.

The programme is designed to prepare international students who have not reached an English Language requirement for admission to Master of Science Programmes, and to develop their English proficiency to IELTS 7.0 in preparation for postgraduate programmes offered by Singapore Institute of Management's University Partners.

Classroom Learning

Classroom learning may comprise:

- Activities
- Exercises
- Lectures

The 9-month full-time programme

This programme is developed and awarded by Singapore Institute of Management, Singapore. It aims to improve all four Academic English Language skills, Speaking, Listening, Reading, and Writing to IELTS 7.0, through three parts:

Part	IELTS Score Range
Advanced English for Academic Purposes – Part One	From IELTS 5.5 to IELTS 6.0
Advanced English for Academic Purposes – Part Two	From IELTS 6.0 to IELTS 6.5
Advanced English for Academic Purposes – Part Three	From IELTS 6.5 to IELTS 7.0
